1. I've never heard of Laura, why should I take a chance on someone new?

Laura Busse is a passionate, vibrant, and creative teacher of God's Word. She loves to bring the Bible alive for women in real, raw, and relevant ways. With over thirty years of teaching experience, Laura is able to make unique connections between God's values and our lives. She will challenge you to apply Biblical knowledge and wisdom to your current circumstances. With her leadership and guidance, you will be encouraged to take the next step of spiritual growth. The goal of her studies is to give God thanks as we become more like His son, Jesus.

You can also watch this [SHORT VIDEO](#) of women sharing how these studies have changed their lives.

2. This looks great! How do I get started?

Each person taking the study will order their study package (includes a workbook mailed free and video access) from our website [HERE](#). After ordering, they'll get a confirmation email with instructions on how to set up an account so they can access the videos.

3. Why do individuals have to set up accounts?

Accounts are required to access the videos that accompany each session of the study as well as the leadership training materials. This also provides individual access in case someone from a group has to miss a session and doesn't want to get behind.

4. Can we get a group discount?

Yes! If you're signing up as a church and have a promotional plan, we will provide you with a custom discount code that your women can enter at check out to receive \$10 off the standard price of \$39.

5. Will you help promote and launch the study?

Yes! We will provide you with the graphics needed for church announcements, website banners, emails, and posters along with the QR code to easily purchase the study on our site.

In addition, Laura can be a guest speaker at your kick-off session if your church is within a 30-mile radius of Boulder and has 200 or more women signed up. If you're beyond 30 miles, we'd be happy to discuss the options. Please contact us at info@3oclockwakeup.com.

6. If women are signing up on their own, how will I know how many people to accommodate?

Due to your church's custom discount code, we can provide you with an updated list of registrants as requested.

7. Do you help set up small groups?

Given the unique nature of each church and the complexity of setting up and maintaining group cohesion, this is something we leave up to individual churches. We provide small group discussion materials and have videos of leadership training to help facilitate small group success.

8. If we don't have a Women's Ministry Director or Small Group Coordinator, who can run the study?

Our sessions are structured to run themselves with the online video introduction and small group questions included in the workbook. Churches in this situation have had a small group leader reserve a room, start the video, and the group answers the small group questions from the workbook together.

When churches have chosen not to have a coordinated in-person study offered to all women, they've offered our studies as options for small groups or individual curriculum via their website and email communication.

9. Can I order the workbooks in bulk and manage the signup process myself?

Yes! Please contact us at info@3oclockwakeup.com so we can help facilitate this. We would ask you to share your attendee list with us so we can set each woman up with an account so they can access the videos and leader training materials on their own as they wish.
